VERANDA FURNITURE

THE TIME FOR IT HAS ARRIVED.

To us it seems but a few weeks ago that we were clearing stocks of all Piazza and Reed Furniture preparatory for the winter season. But it was months ago—further proof that time does fly. Now we tell you of the splendid new things in easy and restful pieces of Veranda Furniture for those days when mother nature tempts one to imbibe the outdoor air.

The Veranda is an index to the interior of the house. You can always tell a neatly furnished house by the exterior. We are showing some decided novelties in the way of Three-Piece Suits for the Veranda. They can be seen in our windows today, together with Porch Shades, Swings, Rugs, odd Rockers, Chairs, etc., all the very latest creations for the outside of the house.

BARRE CANDY KITCHEN**Imported Enameled Ware!**

The feature is a spout without rivets and without seams. The spout is a part of the seamless tea-kettle body. A seamless spout, of course, eliminates the possibility of leaks or gathering of rust and germs. Leaky spouts are an annoyance to the consumer and costly to the merchant. **PYRO-LITE** (shown in above cut) is the only Entirely Seamless and Positively Non-Leak Enameled Ware. We are displaying a line of this Enameled Ware in our window, which we cordially invite one and all to inspect.
